Program Requirements and Instructions for Form 4860, Renewal Application for Tuition Waiver

Public Act 195 of 1996, the Police Officer's and Fire Fighter's Survivor Tuition Act, provides for the waiver of tuition at public community colleges and state universities for the surviving spouse and children of Michigan police officers and fire fighters killed in the line of duty. The program is intended to provide an educational benefit to the spouse and children of police officers and fire fighters who made the ultimate sacrifice for their communities and the citizens of Michigan. Tuition will be waived for eligible survivors enrolled in classes leading to a certificate or undergraduate degree. The Student Scholarships and Grants Division (SSG) of the Michigan Department of Treasury is responsible for the administration of this program.

Eligibility Requirements

To be eligible, the person applying must be the spouse or child (natural or adopted) of a Michigan police officer or fire fighter who was killed in the line of duty. A child must be less than age 21 at the time of the police officer's or fire fighter's death.

The deceased police officer must have been a sheriff or sheriff deputy, village or township marshal, a police officer of any city, village, or township, an officer of the state police, or any other police officer trained and certified pursuant to the Commission on Law Enforcement Standards Act. The deceased fire fighter must have been a member, volunteer or paid, of a fire department or other organization that provides fire suppression or other fire-related services, of a city, township, village, or county, which is responsible for extinguishment of fires. This does not include a person whose job description, duties, or responsibilities did not include direct involvement in fire suppression.

The death must have been the direct and proximate result of a traumatic injury incurred in the line of duty. Traumatic injury is defined as a wound or condition of the body caused by external force, including, but not limited to, an injury inflicted by bullet, explosive, sharp instrument, blunt object, or other physical blow, fire, smoke, chemical, electricity, climatic condition, infectious disease, radiation, or bacteria, but excluding injury resulting from stress, strain, or occupational disease.

Eligible surviving spouses and children must meet the following requirements:

- Apply, qualify, and enroll at least half time in a program leading to a certificate or degree at an approved Michigan community college or public university.
- Be a Michigan resident for 12 consecutive months preceding application. Dependent students shall use the parent's residency status.

The child's or surviving spouse's family income, excluding any income from death benefits attributable to the police officer's or fire fighter's death, must be below 400% of the federal poverty level.
